

#### RECOMMENDED SKIN TYPES

#### ACTIVE INGREDIENTS

■ Zinc Oxide 10%, Titanium Dioxide 5.5%

## PURELY PHYSICAL SPF 47

#### DESCRIPTION

A broad-spectrum sunscreen, both gentle and lightweight, provides a more natural approach to sun protection for daily use utilizing chemical-free active ingredients. Formulated with only physical sunscreen actives to provide sun protection. Purely Physical SPF 47 creates a moisture barrier, preventing water from evaporating the skin's surface, binding moisture back into the skin. Purely Physical SPF 47 is formulated with Titanium Dioxide and Zinc Oxide to provide physical protection, which sits on top of the skin to deflect and scatter damaging UV rays. Gentle formula makes this a great alternative for sensitive skin types and even post-procedure skin.

#### BENEFITS

- ✓ Natural, chemical-free active ingredients make this sunscreen beneficial for all skin types
- ✓ Light weight, fast absorbing sun protection
- ✓ Helps to prevent premature aging and cellular damage of the skin caused by harmful UV radiation
- ✓ Water resistant sunscreen (80 minutes)
- ✓ Free of commonly known irritants such as sulfates, parabens and fragrance

#### DIRECTIONS FOR USE

- Apply on a clean, dry face in the morning avoiding delicate eye area. Apply 15 minutes before sun exposure. May be used daily. Consult physician before use. Reapply after prolonged exposure, physical activity, perspiration or contact with water.
