

Advanced Duo 5x Retinol+Bakuchiol

RECOMMENDED SKIN TYPES

INGREDIENT HIGHLIGHTS

- Bakuchiol, Hydroxypinacolone Retinoate 5%, Tetrahexyldecyl Ascorbate, Palmitoyl Tripeptide-1, Palmitoyl Tetrapeptide-7, Camellia Sinensis (Green Tea) Polyphenols

DESCRIPTION

A revolutionary triple-action anti-aging serum that contains a retinoid, bakuchiol, peptides, and powerful antioxidants to support collagen-depleted skin to target fine lines, deep wrinkles, enlarged pores, dullness of the skin, loss of firmness, and brighten the overall complexion.

BENEFITS

- ✓ Diminishes the appearance of fine lines and wrinkles
- ✓ Promotes skin turnover for a more youthful-looking appearance
- ✓ Smoother skin texture
- ✓ Evens out skin tone for a brighter looking complexion
- ✓ Reveals firmer-looking skin
- ✓ Contains calming + soothing properties for improved product experience
- ✓ Provides efficacy and potency of traditional retinol with significantly lower irritation

DIRECTIONS FOR USE

- Apply to clean skin in the evening only. Apply to face two to three times per week, avoiding the eye area. Increase usage as tolerated. Broad-spectrum sunscreen is recommended daily while using this product. For topical use only.
