**Full Hearts**

Feed your heart while helping others. Join us at the table this month as we support Raleigh's first and only pay-what-you-can cafe. This wonderful non-profit restaurant is called A Place at the Table and they serve breakfast and lunch. Visitors are asked to pay what they can and ALL are welcome in this inclusive environment. Over 80 people volunteer here to work for a well-balanced, healthy meal every day. They gain important life skills on each shift. One in seven residents in Raleigh is food insecure while one in five children go hungry. A Place at the Table not only feeds our neighbors, but also gives residents a sense of belonging and camaraderie. Click the link below to see how you can support A Place at the Table!
