

Clear Complexion Retinoid

DESCRIPTION

Designed with cutting-edge skincare technology, this advanced hydrating and lightweight gel harnesses a novel retinoid precursor to Adapalene, specifically formulated for those with blemish-prone or oily skin. By gently encouraging skin cell renewal, this serum helps to clear imperfections, refine texture, and reduce the appearance of pores without irritation. Enriched with Niacinamide, Prickly Pear Extract, and Sodium Hyaluronate, it hydrates, calms, and strengthens the skin barrier for a balanced, clear complexion. Suitable for sensitive skin types seeking powerful, science-backed results with a gentle touch.

BENEFITS

- ✓ Targets blemishes and refines skin texture with advanced retinoid technology
- ✓ Reduces the appearance of pores for a smoother, more even complexion
- ✓ Lightweight, creamy gel texture hydrates without feeling heavy or greasy
- ✓ Gently encourages skin renewal, supporting clearer, healthier-looking skin
- ✓ Specifically formulated for oily, blemish-prone skin without irritation

DIRECTIONS FOR USE

- Apply a pea-sized amount to clean dry skin in the evening, avoiding the eye area. Start using every other night, then gradually increase to nightly use as tolerated. Use sunscreen daily, as retinoids may increase sun sensitivity.

INGREDIENTS

- Water/Aqua/Eau, Propanediol, Niacinamide, Pentylene Glycol, Coco-Caprylate/Caprate, Glycerin, Panthenol, Polyglyceryl-3 Stearate, Beheneth-5, Oleyl Adapalenate, Prickly Pear (Opuntia Ficus-Indica) Stem Extract, Sodium Hyaluronate, Aloe (Aloe Barbadensis) Leaf Juice, Matricaria (Chamomilla Recutita) Flower Extract, Tea (Camellia Sinensis) Leaf Extract, Allantoin, Pullulan, Hydrolyzed Jojoba Esters, 1,2-Hexanediol, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Chlorphenesin, Trisodium Ethylenediamine Disuccinate, Caprylhydroxamic Acid, Sodium Hydroxide, Xanthan Gum, Sclerotium Gum, Lecithin, Citric Acid, Silica, Disodium Phosphate

RECOMMENDED FOR

- ALL SKIN TYPES
