

HydraLite Moisturizer

RECOMMENDED SKIN TYPES

INGREDIENT HIGHLIGHTS

Niacinamide (Vitamin B3), Saccharide Isomerate, Euterpe Oleracea (Acai) Fruit Extract, Salix Alba (Willow) Bark Extract, Aloe Barbadensis Leaf Extract, Camellia Sinensis (Green Tea) Leaf Extract, Ceramide NP, Phytosphingosine, Ceramide AP, Ceramide EOP

DESCRIPTION

A lightweight, oil-free moisturizer effectively hydrates blemish-prone, oily, and combination skin without leaving the skin feeling greasy or adding extra shine. Super antioxidants, Green Tea and Acai, protect the skin against free radicals and sun damage, damaging the skin's natural moisture barrier. Niacinamide works to visibly improve enlarged pores, uneven skin tone, and dullness within the skin. With four ceramides present, the moisturizer effectively hydrates, replenishes, and restores the skin. All of the ingredients in this unique formulation address dehydrated skin without feeling heavy, greasy, or clogging the pores revealing radiant skin and healthy-looking skin.

BENEFITS

- ✓ Lightweight, oil-free, and fragrance-free formula effectively replenishes and hydrates the skin
- ✓ 4 ceramides present hydrate, replenish and restore the skin by mimicking the skin's own natural moisturization
- ✓ Niacinamide, or Vitamin B3, visibly improves the appearance of enlarged pores, uneven skin tone, and dullness within the skin
- ✓ Antioxidants and skin-soothers Acai, Green Tea, Aloe, and Willow Bark protect the skin from extrinsic factors that strip the skin's natural moisture barrier

DIRECTIONS FOR USE

- Apply a generous amount to the face, avoiding eye area. Allow to absorb before applying additional product. Use twice daily or as directed by physician to alleviate dryness.
