

Pre-Cleanse

DESCRIPTION

This breakthrough formula is the ultimate skincare prep step for a radiant and healthy complexion. This formula harnesses the power of natural ingredients, including Meadowfoam Seed Oil, Sweet Almond Oil and Rice Bran Extract to gently remove water-resistant sunscreen and makeup, ensuring a pristine canvas for your skincare routine. It also promotes a balanced skin microbiome, guarding against unwanted imbalances that can affect skin health, and is free from harsh chemicals. Use to effectively cleanse and reveal the radiant, healthy skin you deserve.

BENEFITS

- ✓ Removes makeup, water-resistant sunscreen, sweat, and other debris
- ✓ Prepares the skin for proper cleansing
- ✓ Hydrates and nourishes the skin
- ✓ Protects the skin's barrier function
- ✓ Preserves the microbiota of healthy skin

DIRECTIONS FOR USE

- Apply several pumps to dry hands and gently massage onto a dry face in circular motions. Wet hands and continue massaging to create a light, lathering emulsion. Continue to massage into the skin to dissolve makeup and debris. Rinse with warm water and pat dry.

INGREDIENT HIGHLIGHTS

- Bacillus Ferment, Jojoba Seed Oil, Sunflower Extract, Sweet Almond Oil, Vitamin E
