

Super C+ Cream

DESCRIPTION

Experience a lightweight, hydrating formula designed to brighten, protect, and rejuvenate your skin. This advanced product delivers powerful antioxidant protection, visibly improves skin tone and texture, and promotes a radiant, healthy-looking complexion. Infused with soothing and nourishing ingredients, it supports hydration, calms irritation, and helps defend against environmental stressors. Perfect for daily use, this luxurious formulation enhances skin's natural glow while addressing signs of aging, leaving your skin refreshed, balanced, and luminous.

BENEFITS

- ✓ Brightens and evens skin tone for a radiant, healthy-looking complexion.
- ✓ Provides powerful antioxidant protection to combat environmental stressors and free radical damage.
- ✓ Hydrates and nourishes the skin without feeling heavy or greasy.
- ✓ Soothes and calms irritation, making it ideal for sensitive or post-procedure skin.
- ✓ Improves skin texture and visibly reduces the appearance of fine lines and wrinkles.
- ✓ Supports long-term skin health with a blend of advanced, medical-grade ingredients.

DIRECTIONS FOR USE

- Apply evenly to the face, avoiding the eye area. Allow to absorb before applying additional products. Can be used twice daily or as otherwise directed.
