## FAIRWELL FAT CELLS

Get the Elite experience with CoolSculpting Elite! This non-invasive treatment eliminates unwanted fat cells and requires little to no downtime. CoolSculpting Elite sculpts your body without surgery or anesthesia. It targets two treatment areas at once with dual applicators. It's the only FDA approved treatment to get rid of fat bulges in NINE different areas. CoolSculpting Elite is scientifically proven to permanently eliminate 20-25% of treated fat cells. We are taking appointments now! Call today 919-521-8282.

## SUMMER GLOW

Exfoliate your skin this summer for a healthy, radiant glow. Our MicroDerm Scrub is 20% off this month. It contains powerful microdermabrasion resurfacing ingredients to remove dead cells and debris. This medical grade product also helps reduce fine line and wrinkles. MicroDerm Scrub improves skin tone and texture by smoothing dull, dry skin. It only needs to be used once a week. We look forward to serving you through our curbside pick up.

## AHH-MAZING RESULTS

Whether it's the neck or the abs, our SkinTyte results are amazing! After just three SkinTyte treatments, this client is elated with her tighter, firmer neck. SkinTyte only takes 20 minutes with no pain and no downtime. SkinTyte uses advanced infrared light to deeply heat the skin while cooling and protecting the entire treated area. It typically requires four to six treatments for optimum results. SkinTyte is customizable for any skin type.

## BETTER TOGETHER

Diminish the double chin with a combination treatment of Kybella and Subnovii Plasma Pen. Kybella destroys fat cells under the chin, producing gradual results. Create the perfect profile by boosting your Kybella treatment with the Subnovii Plasma Pen. This state of the art plasma pen tightens and tones the skin. It reduces fine lines and wrinkles while boosting collagen production. Subnovii also improves firmness in the chin. Some things are just better together! Call our office today for an appointment.

## REAPPLY ON THE 4TH OF JULY!

Don't forget to put New Life Aesthetics sunscreen in your beach bag! Reapply during those cookouts and beach trips. All Pure Mineral Tinted Powder sunscreen is 40% off while supplies last. Our Powder Sunscreen SPF 30 comes in seven different shades. It's easy to reapply over make up. Don't forget 80% of wrinkles are caused by sun damage. Call today for curbside pick up 919-521-8282.
