PERFECT PAIRINGS

Our Perfect Pairing for May is Aerolase and a PCA Customized Peel. Combo treatments magnify results with minimal to no downtime. Aerolase tightens skin, stimulates collagen, diminishes redness and clears acne. Add in a custom PCA Peel to brighten dull skin and even out your skin tone. The peel will also remove dead skin cells. The two will allow your skin to breathe and look healthier.

SKIN CANCER AWARENESS

Did you know 80% of aging comes from the sun? May is Skin Cancer Awareness Month and here are some tips to protect your skin. Make sure you re-apply waterproof sunscreen every two hours. Sunscreen should be SPF 30 or higher. Wear sun protective clothing and use sunscreen, even on cloudy days. A wide-brimmed hat will protect the face and décolletage. New Life Aesthetics offers a range of sunscreen products and our new HydraGlow Tanning Foam.
