

# NEW LIFE AESTHETICS

November 2021 Newsletter

## PLUMP THAT POUT

Get the perfect pout with our brand new Lip Plumping Serum! It's 20% off this month. It stimulates lips to help create fuller, more plump lips. It enhances your natural lip color while increasing hydration and lasting moisture. The appearance of lip lines are visibly improved with each application. It's perfect to use as an everyday lip gloss or over a lip stain. It's a must-have in your make up bag! We offer curbside pickup for all New Life Aesthetics products.

## READY... SET... QWO!

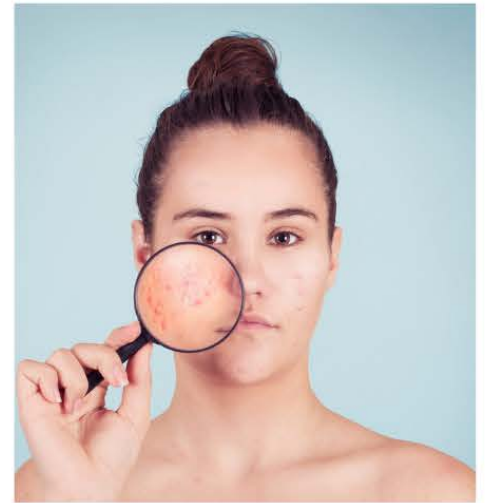

# Qwo®

This is a product we can all get behind! Qwo is the first and only FDA approved injectable for the treatment of cellulite in the buttocks of adult women. Qwo is made from enzymes called collagenases. These enzymes target the structural cause of cellulite under the skin. It's great for all skin types and ethnicities. Three treatments over the course of two months are recommended and injections only take 10 minutes or less. Call today for your consultation 919-521-8282.

# ATTACK THE ACNE

Stubborn acne can be frustrating. We have the perfect pair of products to help get rid of unwanted acne. Our Detox Facial Mask cleanses the pores and clarifies the skin. The white charcoal powder absorbs impurities and oil from the skin. It reduces breakouts and detoxifies the skin. Pair that with our Acne Correction Pads for the perfect combination of clear skin. Acne Correction Pads deliver a gentle microchemical peel to exfoliate and correct problematic acne and prevent future breakouts. They penetrate deep into pores to stop acne bacteria. Combine these two products and conquer acne!

## BLACK FRIDAY BEAUTY SALE

Give the gift of gorgeous skin this holiday season! Our Black Friday gift card sale is Friday November 26th. You'll earn \$10 for every \$100 dollars spent on New Life Aesthetic gift cards. It's the perfect gift for under the tree or in the stocking! Just text us at 772-696-2747 on black Friday to order your gift cards.

## JUST A REMINDER

We always strive to keep you safe and healthy here at New Life Aesthetics. As flu season arrives, we have an important reminder when booking filler appointments. Avoid all dental procedures and immunizations for at least two weeks before and after your filler treatment. This includes the flu shot, Covid-19 vaccines and boosters. Make your appointment soon, as pre-holiday appointments are on short supply!
