## October Newsletter

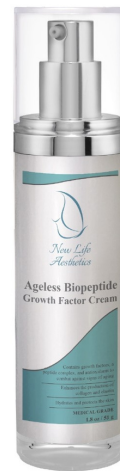

### FLAWLESS FACE THIS FALL

As summer comes to an end it's time to do damage control on our skin. BBL sets a new standard in treating skin conditions associated with aging, acne, loss of firmness, unwanted hair, and sun damage. This month purchase one area of BBL and receive a complimentary Phytoquinone Fader. That's a \$58 value!

### FALL INTO GREAT SKIN

It's four products rolled into one! Introducing the Ageless BioPeptide Growth Factor Cream. This unique formula contains human growth factors, peptides, antioxidants and hydrators. It enhances the production of collagen and elastin while rejuvenating the skin.

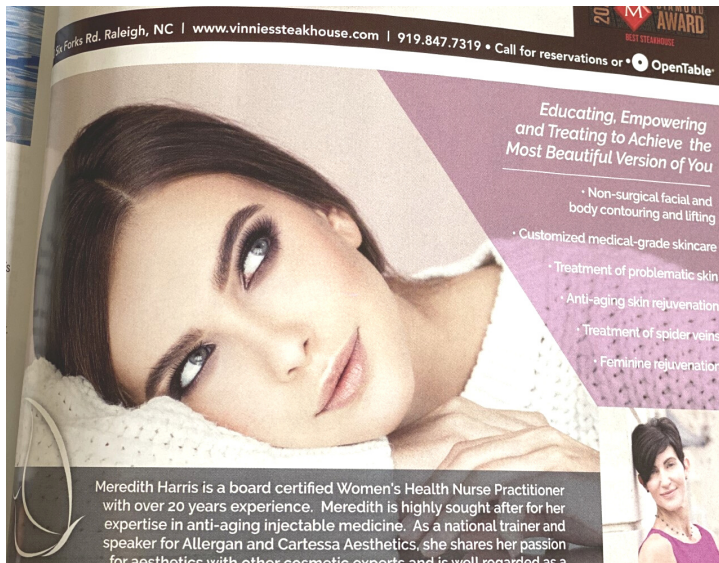

### BREAST CANCER AWARENESS

October is Breast Cancer Awareness month... Let's help make a difference! This month New Life Aesthetics is offering 15% off HA Physical Tint SPF 44. We are also donating 15% of all sales of this product to the Pretty in Pink Foundation. Pretty in Pink financially assists North Carolinians with Breast Cancer. Don't forget to schedule your mammogram!

# PERFECT SERVICES FOR THIS SEASON

As the seasons change and cooler temperatures arrive we recommend treatments to rejuvenate your skin and reverse summer sun damage. We suggest Halo and Subnovii. It's also the perfect time of year to get rid of unwanted spider veins and reticular veins with Sclerotherapy. Call today for a consultation with Meredith.

## MIDTOWN MAGAZINE

Check us out each month in Midtown Magazine. You'll find information on our practice and how we strive to give you the best treatments and education possible. We want to empower each patient with knowledge!

## SCARE THE WRINKLES AWAY!

Get "boo-teaful" this October with Botox! You can trick the wrinkles away while treating your skin. The results last 3-4 months with no downtime. Botox tackles frown line furrows, crow's feet, lines on the forehead and other signs of aging. Look years younger with Botox!
