The power of halo TRIBRID™

As the holiday lights begin to sparkle, there's no better time to treat yourself to a fresh start. This season, the Halo Tribrid will have you stepping into the New Year with confidence and a gorgeous glow. The Halo Tribrid Laser brings together three advanced wavelengths for one comprehensive skin-revitalizing treatment. By working across multiple layers of the skin, it helps soften the look of fine lines, smooth uneven texture, and brighten areas dulled by sun exposure or age. It's also an incredible option for reducing acne scars, refining pores, and evening out tone. It's perfect for that holiday-ready radiance. Our books have been filling up quickly with Halo Tribrid appointments. This treatment is in high demand, so now is the perfect time to schedule yours and ensure you're glowing well into January and beyond. Treat yourself or give the gift of rejuvenation this season. Call 919-521-8282 or book online at newlifeaesthetics.com.

New Life Aesthetics

If you want radiant results without the intensity and downtime, Moxi will help you shine this holiday season. It's the perfect subtle refresh. This gentle-yet-powerful option is perfect for those who want visible improvement without significant downtime. Moxi delivers a beautifully controlled resurfacing effect that brightens dullness, refines texture, and softens the look of sun damage. It supports long-term skin health. Often called a "prejuvenation" treatment, it's an excellent way to maintain youthful, vibrant skin before signs of aging become more pronounced. It's safe for every skin type and can be done year-round. Moxi also offers amazing benefits for concerns like melasma, making it a great choice for anyone wanting a smoother, more radiant complexion. Give your skin a healthy head start as you head into the New Year. Book your Moxi appointment today by calling 919-521-8282 or scheduling online at newlifeaesthetics.com.

This month, we're celebrating the season of giving with a product that delivers beautiful results without the needle. Our Needle Free Serum is December's featured favorite. Not only is it 20% off all month, but we're also gifting a complimentary bag of skincare samples with every purchase. It's the perfect stocking stuffer for anyone who loves a radiant, youthful glow. Needle Free Serum is a powerful topical alternative to injectable fillers, designed to visibly soften the look of wrinkles while enhancing the skin's firmness and plumpness. It's formulated with ingredients like niacinamide and hyaluronic acid that help boost hydration and support a smoother texture. Needle Free Serum promote a more revitalized, lifted appearance. Whether you're treating yourself or surprising someone special, this offer combines results and savings. We are happy to ship all of our products, too! Call us at 919-521-8282.
